

## REMARKS

In the Notice of Allowability and the Examiner's Amendment of 10/19/04, the Examiner amended page 5, lines 1, 5 and 10 of the Specification by deleting the number "15" and substituting the number -16-. The Examiner is thanked for his observation and correction via the Examiner's Amendment.

The Examiner also found page 2 of the Declaration filed with the Patent Application to be illegible. Page 2 of the original Declaration was a copy of a facsimile of the executed Declaration. Accordingly, Applicants respectfully submit the original pre-faxed copy of the Declaration and which is a legible copy of page 2 of the Declaration and Power of Attorney originally filed with the above referenced Patent Application.

The enclosed Declaration corrects the noted deficiency. Should the Examiner have any further questions regarding this matter, please telephone Applicants' attorney at the number set forth below.

Respectfully submitted,

JOHN COLE,  
JASON P. PORTER, and  
DERON J. SINGER  
Applicants
